

***When is the last time your dog got to run safely and freely with other dogs?
Would you like to have a place to take your dog and rendezvous with friends in your
community?***

As you may have heard, Royal Oak is in the process of building dog parks for the community. Unfortunately, the city has determined that it is not able to fund this effort, due to budgetary constraints. Therefore, a group of dedicated and enthusiastic citizens has formed the Royal Oak Animal Mission (ROAM) to raise the funding necessary to complete this initiative, including installing fencing, entrances, and proper parking. We are working closely with the city, and with their willing help, we are excited to take this effort on.

On behalf of all dogs in the Royal Oak area, we ask you to support our efforts.

Please help us create a safe and enjoyable place for your special four-legged family member.

ROAM is working under the Royal Oak Acorn Foundation, a 509 (a) (1) charity, so all donations are tax deductible with the IRS. All checks or money orders should be made out to the Royal Oak Acorn Foundation. In the memo of your check please label your donation to go to the dog parks or to ROAM. The check should be mailed to:
